A man in Iowa got a guarantee on a cheap roofing, but when he wanted the 'guarantee' made good, the company had disappeared.

#### EASTER'S COMING.

Blossoms, birds and sunshine rare. Green grass peeping everywhere. See it in the spring days fair—March winds rough and April showers.

Bring pink buds and shy spring flowers.

And fresh young green in all the bowers.

Yet all these signs and beauty rare

Unfathomable as the soft spring air.

Are quite eclipsed by milder fair—Easter's coming! Anon.

## WOMAN WEAK AND NERVOUS

Finds Health in Lydia E. Pinkham's Vegetable Compound.

Creston, Iowa.—"I suffered with female troubles from the time I came into womanhood until I had taken Lydia E. Pinkham's Vegetable Compound. I would have pained if I overworked or lifted anything heavy, and I would be so weak and nervous and in so much misery that I would be prostrated. A friend told me what your medicine had done for her and I tried it. It made me strong and healthy and our home is now happy with a baby boy. I am very glad that I took Lydia E. Pinkham's Vegetable Compound and so all I can recommend it."—Mrs. A. B. BOSCAMER, 504 E. Howard Street, Creston, Iowa.

Unique Luncheon.

The prettiest of last week's affairs in which St. Patrick's day emblems were used in the scheme of decoration, was undoubtedly the luncheon given Saturday by Miss Wanda Thompson and Beatrice Lewis at the home of the former's sister, Mrs. R. E. Watkins. Vases of green carnations were in each room and from the chandeliers hung clusters of green shamrocks. Green shamrocks inscribed with popular Irish songs were at each window. Each of the six tables had for its central decoration a green basket of foliage tied with a bow of full. Favours were green carnations and shamrocks, and the name cards were Irish flags. Misses Mary Lee Owens, Dorothy Davis and Madeline Watkins assisted the hostess in serving a dainty luncheon in which the green and white color scheme was carried out through the three courses. Nut cups were in shamrock form.

At the games which followed the luncheon, top scores were made by Mrs. Henry Hill who received a crystal cream and sugar set. Miss Virgil Taylor who received the Phi Delta Gamma Club spoon and Miss Muriel Van Hoozier, the Saturday club's crepe de chine handkerchief.

The guests were Misses Junia Lewis of Coyle, Alma Watkins, Muriel Van Hoozier, Blanche, Bertha and Genevieve Beland, Eleanor Post, Ethel

Douglass, Margaret Armantrout, Luella Townsend, Louise Hill, Mattie Clara Gano, Thelma Donnelly, Lenore and Lucile Burke, Virgil Taylor, Ellen Bronson, Frances Crook, Marguerite Dolde, Ruth Sexauer, Mrs. Earle R. Cook of Bromide, Okla., Philip Traband, Oscar Curd and Henry Hill.

the observance of two roads days throughout the county, about the last of March or first of April, at which time an effort will be made to induce every citizen to donate one or two days work on the road which he uses most or which is of the most interest and benefit to him. The good roads committee will on this occasion concentrate most of their efforts on the five miles between the Seward cemetery and the Oklahoma county line where there is much blasting and grading to be done as well as surfacing up.

During the present year the officers of the Chamber of Commerce desire to co-operate with the people of every other town in the county in an effort to construct and maintain at least one good road between Guthrie and every other town in Logan county and the good roads committee will be glad at any time to confer with representatives of any of the other towns or local communities in the county relative to the establishment and marking of a needed between Guthrie and such communities.

proprietor from the general funds.

The general appropriation bill carries a total appropriation for the executive legislative and judicial departments of the state government for the next biennium, ending June 30, 1917, of \$3,950,238.91.

Four Years for County Officials.

That the tenure of office for all county officials except county judges will extend from the present two to a four year period was made practically certain in the senate by the passage through that body of the Cash bill, carrying this provision. The exception is made with reference to county judges only by reason of constitutional provision fixing the term at two years.

As the bill came from the house no county officer was qualified to succeed himself in office and the elimination of that clause was the only amendment put on the bill in the senate.

A Specific Against Colds.

"If there is such a thing as a specific against colds, it is to be found in the sleeping porch or the open bed room. Next to that comes the cold sponge both in the morning," says the Youth's Companion. Be as careful as you can you will occasionally take cold and when you do you will find Chamberlain's Cough Remedy a great help in enabling you to get rid of it. Try it. Obtainable everywhere.

How to Safely Peel Your Face

If you wear an aged, discolored or weather-beaten complexion, the most desirable thing to do is to remove it. It is better than skin over a "doctor." It will, however, be the same way to remove it. The way to do it is to use Vapo-Resolene. It is a simple, safe and effective treatment avoiding drugs. Used with success for 35 years. The air-carrying, antiseptic vapor, inhaled with every breath, makes breathing easy, soothes the throat, and stops the cough, averting real night. Chamberlain's Vapo-Resolene is available to mothers with young children and a true to sufferers from Asthma. Send for booklet. VAPOR-RESOLINE CO., 82 Central St., N. Y.
